

Week Beginning: 12th November 2018

Greene Class!

Phonics, high frequency words and tricky words at home

Thank you for everyone practicing their phonics at home! We have seen a real difference in class. As well as our new sounds, we also have our tricky words and high frequency words. As we have completed phase 2, please find attached the sound mat for phase 3. There is also a phonic dice game to try over the week. Roll the dice, and try to segment and blend a word! This activity is focusing on the children segmenting the words into each sound, before blending together to say the word.

Name writing

We have been practicing name writing, using our cursive lead in letters, and our correct pencil grips. Please find attached a practice sheet to try over the following week.

WOW Wall Vouchers

We have some more WOW Vouchers! Anything that happens outside of school can be given a WOW voucher, simply bring them in on a day.

English

We will be finishing our work on the Three Little Pigs, completing our own versions of the story. After this, we will be looking at another traditional tale, and comparing it to the Three Little Pigs.

Maths

In maths this week we will be looking at money, introducing everyday language related to it, whilst also recapping our positive counting habits. If counting at home, make sure the children are counting slowly and accurately! We have practiced putting our fingers on each object as we say the number, allowing us to accurately count every time.

Science

We are looking at light and dark in science, exploring both indoors and outside. We will be looking at different sources of light this week, comparing what we have found. We also have a new award, which is scientist of the week! Each Monday, depending on their work in science, a scientist will be chosen!

Tuesday Flu immunisations

On Tuesday we will be having our immunisations. If you have not already replied, you need to confirm either yes or no for your child. Please visit www.glos-care.nhs.uk/consentforms/FLUConsent/FLUConsentForm

Play Village Trip

We hope you're as excited about this trip as we are! Please return the letter form as soon as possible.

Things to remember

Monday: Reading Books

Tuesday: Reading Books

Wednesday: Cake Sale and Reading Books

Friday: Reading Books

New things

Reading books for Tuesdays

Mrs. Kelly will be reading with the children on a Tuesday morning. Please make sure your child has their reading books on this day.

Nut free school

Just a reminder from the kitchen that we are a nut free school! Due to allergies within the school, we ask that all food brought in for snacks or lunches also be nut free.

Morning prayers

Please join us in the morning by saying our morning prayers with us! We do need to make sure this happens promptly.

If you have any questions at all, feel free to email me.
