
Week Beginning: 8th October 2018

Greene Class!

Dear Parents,

Last week was very busy, and this week looks to be the same! Although parent's evening is fast approaching, if you have any questions please do not hesitate to contact me beforehand.

Kind regards,
Mr Ellacott
howarde@st-catharines.gloucs.sch.uk

English

In English this week we will be looking at Owl Babies, our new text until half term. This involves role play, sequencing, and linking the owl family to our own lives and feelings.

Science

Continuing our topic on All About Me, we will be focusing on new senses this week, moving from sound and hearing to touch.

Phonics

This week we will be continuing with our phase 2 sounds, with a focus in class on blending the individual sounds together, to read simple words.

Maths

We will be continuing to look at one more and one less to 20, finding different opportunities to develop this in our new outdoor area!

Outdoor Area

We have re-vamped our outdoor area, making it better than ever before! From Monday we will be introducing our Mud Kitchen. **We recommend that children bring in a coat and a set of wellington boots to keep in school, that parents do not mind getting messy!**

All about me!

Following some timetable changes we will be looking at our baby photographs this week!

Things to remember

Monday: Reading Books

Wednesday: Cake Sale and Reading Books

Friday: Reading Books

New things

Time to read

Today you should have received your free copy of 'Little Monkey' by Marta Altes. Time to Read is a campaign to champion the value of shared reading, and we hope you enjoy it!

Prayers

In RE last week we introduced our school prayers, in the morning, at lunch, and at home time.

Please find attached a copy of these prayers, especially if you are joining us in the playground in the morning.

Fruit

Each day we have fresh fruit in class, although it is a random selection. If you would like to, your child can bring their own item of fruit.
