If you have any questions about reading, phonics, or how to support at home please email Mr Ellacott.

New Classroom

We have now settled into our new classroom and will continue to use the outdoor areas in most weather situations. Please make sure your child has appropriate clothes and spare clothes, especially at the weather gets wetter and colder.

Pickup location:

On Mondays we will most likely be coming straight out of the classroom. Tuesday to Friday we will be coming out of the hall via the normal doors.

Maths

This week we will be counting irregular arrangements of objects, contrasting our previous work with numicon.

English

We are continuing our Jolly Postman topic, and we will be looking at how post has been delivered in History, compared with today. We will be writing and labelling around this.

Music

Following changes to our timetable from our class move, we are looking at tempo this week, combining it with our previous work on dynamics!

In RE this week we will be moving into 'ordinary time'. To start this we will be looking at parables from the Bible.
