
Week Beginning: 28th January 2019 Greene Class

Phonics and Reading

This week we have been looking at g, o, c and k again. Our phonic resources are available from the school website at: <https://www.st-catharines.gloucs.sch.uk/curriculum/phonics-and-reading-scheme/>

Reading Books:

Please make sure your child has their reading book and reading record with them **everyday**. We aim to change them as regularly as possible, and children are read with as much as possible as well.

If, during your 10-minute daily reading slot, you also do other phonic activities, please make a note of these in your child's reading record as well. If you have any reading related queries, do let Mr Ellacott know.

Pickup location:

On Mondays we will most likely be coming straight out of the classroom. Tuesday to Friday we will be coming out of the hall via the normal doors.

Maths

This week we will be revisiting 'Shape, Space and Measure,' and we will be looking at length and height.

English

We are continuing our 'Jolly Postman' topic, and we will be looking at labelling and sentence writing related to famous Royal Mail paintings!

Music

In music this week we will be looking at pitch, combining this with our work on dynamics and tempo! We will also be investigating tuned and untuned instruments, comparing these as well.

RE

Continuing with 'Ordinary Time', we will be looking at mass, and the role of the priest.

Computing:

In computing we will continue to use our programmable toys, which are currently on loan from the National Cyber Security Centre. We are looking forward to seeing what tech we can borrow next!

Don't forget to colour in your reading charts!
