Dear Parents,

Please find attached our extra-curricular club list for next half-term. We have tried to think about the different interests and skills of our pupils in planning the clubs, and also about providing a few different lunchtime opportunities.

Thank you to Kiddywinks for their flexibility in the sharing of the site after school. Please ensure that children are collected promptly from all clubs. Parents should come to the front entrance to collect children in order not to impinge on the running of the Kiddywinks After School Club.

Thank you to the staff who have offered their time to enable the clubs to take place and to School Council who targeted themselves to create new clubs, including Lego. We have also listened to parent feedback and so clubs like Chess and Dance feature.

Clubs will be filled on a first come, first served basis. Please note if you miss more than one session, the child's place may be assigned to a child on the waiting list.

Best wishes.

Joanne Welch
