

## Week Beginning: 4th February 2019 Greene Class

### Phonics and Reading

This week we have been looking at ck, e, r, and u again. Our phonic resources are available from the school website at: <https://www.st-catharines.gloucs.sch.uk/curriculum/phonics-and-reading-scheme/>

### Reading Books:

Please make sure your child has their reading book and reading record with them **every day**. We aim to change books and read as regularly as possible.

If, during your 10-minute daily reading slot, you also do other phonic activities, please make a note of these in your child's reading record as well. If you have any reading related queries, do let Mr Ellacott know.

### Safer Internet Day

Tuesday marks Safer Internet Day 2019. This year's theme is 'Together for a better internet'. We will be exploring this, in the suitable context for the EYFS.

### Maths

This week we will be continuing 'Shape, Space and Measure,' and we will be looking at length, height, and weight. We will be comparing how the larger size of an object does not mean it is heavy!

### English

We will be introducing a new book 'Cops and Robbers' by Janet and Allan Ahlberg. This focuses on police the next part in our 'People Who Help Us' topic, preparing for our visit from a policeman! We will be immersing ourselves in this book, before creating story-maps in the future.

### Music

In music this week we will be looking at timbre, comparing and describing the ways different instruments sound.

### RE

During other faiths week, we will be looking at Chinese New Year!

### Computing:

In computing we will continue to use our programmable toys, which are currently on loan from the National Cyber Security Centre.
