Tapestry Update

We have now enabled support for the new Tapestry iOS app. This new app allows parents to access Tapestry offline, save login details, receive iPhone notifications for updates and posts, and quickly switch settings if parents have a child in another setting that also uses Tapestry.

To beta test the new iOS app, please visit: <https://testflight.apple.com/join/HqUCeiga> on your iPhone or iPad.

Parent Observations via Tapestry

We have also updated our settings to allow parents to add their own observations. If your child takes part in activities outside of school that show skills we have not observed, please take a photo and add a comment in the new app. These parent observations will contribute to the Early Years Foundation Stage Profile which forms the end of Reception year assessment.

New Room

From Monday, 11th March we will be in our normal room. Our new classroom is much improved, and we are looking forward to getting started. Thank you for all your patience during this transition!

Mud Kitchen

Please make sure that your child has their Mud Kitchen clothing available in school. This allows them to take part in outside activities during lessons, as well as damper playtimes!

Reading Books and Challenges

Please make sure your child has their reading book and reading record with them **every** day, and please try to read with them each evening as well. Phonic resources can be found online at <https://www.st-catharines.gloucs.sch.uk/curriculum/phonics-and-reading-scheme/>. We will be completing certificates for our Chitty Chitty Bang Bang reading challenge on Friday, 15th March.

School Nurse

We will be having our Reception height, weight and vision check on Thursday, 14th March.
