Thursday 10th September 2026

Dear Parents,

Your child has been selected for the 2026 Floorball team. Practise and match sessions will be taking place throughout the Autumn term on a Monday after school. Finish times will vary on match days depending on the order of play as dictated to by the organisers, however we will endeavour to get this information to you in plenty of time. All matches will take place at Chipping Campden High school in the Sports Centre. This year, we would ask that parents take their children up to the high school or share lifts with other families. This is to keep the children dry on wet afternoons and ensure energy levels remain high!

On school practise sessions which will take place at St. Catharine's, finish time will be 4.15pm. Please collect your child on time from the playground.

Our first match is on Monday 14th September for A Team. Therefore, we need to run a practise session tomorrow on Thursday 10th September at lunchtime to ensure the team are feeling ready. All children have previously had floorball training as part of our PE lessons last year and played within A team last season so are familiar with the sport. Please respond to this email to confirm you are happy for your child to participate this year.

Kind regards,

Mrs Richmond
(Sports Lead)
