

Dear Parents,

Our LWCET CEO, Mrs Charlotte Blanch, will be running an online secondary school transition meeting on Monday 14th September at 7pm.

During the session, Charlotte will talk through the process of choosing and applying for a secondary school, including:

- visiting secondary schools and making the most of open evenings
- what you may want to look for and consider when choosing a school
- the secondary school application process and key information you need to know

The evening will be particularly important for **Year 6 parents**, who will be making their secondary school applications this term, but we would also strongly encourage **Year 5 parents** to attend. Although applications may seem a little way off, it is really helpful to understand the process in advance and to begin thinking about secondary school options early.

We hope that as many of you as possible will be able to join.
